

SHI Athletics Spectator Plan

Rationale: To allow PISD Intermediate parents an opportunity to support their student athletes at home games, South Houston Intermediate will follow the guidelines below. Every effort will be made to ensure face coverings are worn and to maintain social distancing. Failure to wear face coverings or follow any PISD COVID safety precautions will result in immediate removal.

Football Spectators:

- Spectators will be allowed to attend HOME football games ONLY.
- Spectators will follow social distancing guidelines and stay six feet apart in their family unit.
- Spectators will sit or stand socially distanced in the end zones.
- Families are welcome to bring chairs or blankets as the bleachers will not be available.
- ALL spectators must wear a face covering when entering and exiting the football field and when moving about.
- The student body may not attend games.
- Restrooms will not be available.

Volleyball Spectators:

- Spectators will be allowed to attend division home games only (Sept. 24 and Oct. 8).
- Spectators will follow social distancing guidelines in the gym where their athlete is playing.
- Bleachers will be marked with available seating areas where spectators must social distance.
- Face coverings must be worn at all times.
- SHI will issue each student-athlete four badges which will serve as a ticket to the game. This will ensure the campus remains within capacity limits.
- Every spectator must wear a badge, regardless of age, and enter the games at the ramp entrance at the athletic hallway ONLY.
- All spectators for indoor athletics will conduct a health self-screening upon entrance and will have their temperature checked.
- At the conclusion of the B-team game, fans will be asked to vacate the gym and exit campus.
- A-team spectators will be allowed to enter the gym hallway only when the B-team game has concluded and the gym has been cleared and disinfected.
- Restrooms will not be available.
- Spectators may not bring food or drink.
